X2™ ...the 8th Wonder™...comes out swinging...

"CANVAS PANELS COST TOO MUCH!

(So does Stretched Canvas!)"

NEW

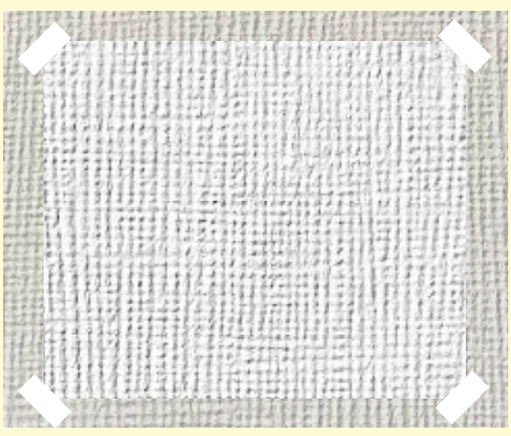
X2™

Molly's Xtraordinary™ SCHOOL™ CANVAS PAPER™ (Double Thick)™

MADE M USA!

Molly Hawkins' New **Money Saving** replacement for expensive canvas panels & stretched canvas...

Looks, Feels and Performs Like Canvas! At 1/4 the price!



X2 is double thick paper that looks, feels and performs like canvas.
It works great with acrylics.
If you want the more rigid feel of a panel, have students tape an X2 sheet to a canvas panel, using the panel as a **reusable** artboard.
(You buy the panel only once!)

X2 Canvas Paper™ is Bright White.
